MarioQA Dataset Download Agreement

The Computer Vision Lab in Pohang University of Science and Technology (POSTECH-CVLab) provides access to the MarioQA Dataset (referred to as MarioQA) under the following conditions. The aim of the MarioQA is to provide a framework to analyze various aspects of models for video question answering. **Therefore, MarioQA is being made available for individual research use only.** Any researcher who requests MarioQA must sign this agreement and thereby agree to obey the restrictions listed in this document.

By signing, the researcher agrees to the following terms of use:

1. MarioQA should only be used for scientific or research purposes. Any other use is explicitly prohibited.
2. POSTECH-CVLab makes no warranties regarding MarioQA, including but not limited to being up-to-date, correct or complete. POSTECH cannot be held liable for providing access to MarioQA or usage of MarioQA.
3. MarioQA must not be provided or shared in part or full with any third party. This means that students or researchers working on the team should all upload a signed copy of the agreement using the same team account.
4. The researcher takes full responsibility for usage of MarioQA at any time.
5. POSTECH-CVLab reserves the right to terminate the researcher's access to MarioQA at any time.
6. If any part of this agreement is legally invalid, this shall not affect the remaining agreement.
